

INTRODUCING  
**The MaxSew System**  
THE LARGEST IN THE INDUSTRY

Middleburg's Six-Pound Knotless Quilting And  
Sewing Thread System

Middleburg Thread & Sewing Supply, the industry leader in large-size thread packages, now exclusively offers you the only six-pound thread delivery system available today. This 100% knotless thread assures miles of flawless sewing by virtually eliminating thread handling and costly downtime. The **MaxSew System** promises less changeover, which enhances operator productivity.

Middleburg's products are inspected and shipped to meet your requirements and delivery deadlines. We welcome your questions...our Customer Service Consultants are here to help you quickly and accurately.

Join our team of satisfied customers by using the industry's most innovative products available today.
